

Roller Banner Setup Guide

1. Unpack your Roll-up Stand from the carry bag and make sure you have all the components you need.

2. Place your Roll-up Stand on the floor and rotate the feet 90 degrees to the base

3. Place your Roll-up Stand on the floor.

4. Take out the three-section pole from the stand base, unfold the poles and connect them together to form a long pole.

5. Insert the pole vertically into the base slot located on the back side of the base. Make sure that pole is secured tightly.

6. Gently pull up the graphic from the base with your foot stepped on the banner foot and one hand holding the pole.

7. Place the round end of the pole into the circular support on the back side of the rRoll-up Stand base and pull it straight.

8. Now your Roll-up Stand is ready for display!
