

IGP Specialty & USI Affinity Marketing Contacts

**Thank you for
partnering with us in
this new process!**

Please reach out directly to your designated marketing point of contact for all project needs. We are discontinuing the online ticket system so our team can better support you and do a proper intake of the project request.

Your assigned contact will help ask the right questions, clarify objectives/deadline and partner with you on sourcing content as needed. This new process will also ensure consistency as we continue to build and protect the IGP Specialty brand – including proper logo use, trade show overlap and how often we are distributing emails to our agent database, etc.

IGP Specialty Programs, Wholesale & Contract Binding

Leanne Scott Brown
VP of National Marketing

Leanne is your main point of contact to originate all IGP Specialty marketing requests to ensure proper vetting and setting deadlines with the department.
