Specialty Programs and Market Solutions

PROGRAMS AVAILABLE TO ALL PRODUCERS | IGP Specialty delivers tailored insurance solutions for niche markets on behalf of clients, brokers and agents. Backed by decades of expertise in specialized industries, our programs pair experienced underwriters with dedicated service teams to provide responsive, cost-effective coverage. With more than 20 industry-specific programs, we meet diverse needs that standard carriers often can't address — helping our partners compete and win in their markets.

■ BUILDER'S RISK

Commercial and residential property coverage for new ground-up projects during the course of construction, for all construction and protection classes, nationwide. Coverage options include CAT coverage, with quota-share capacity provided on a competitive Builder's Risk Participation Policy.

■ COMMERCIAL AGRICULTURE

An ISO-based program for agents specializing in Commercial Agriculture processing.

■ DENTAL

Our Dentist Professional *Plus* Program offers a suite of coverage options for property and business income losses, general liability claims and workers' compensation obligations.

■ ENTERTAINMENT

Take1 provides all-lines coverage for film/TV production companies, A/V equipment rental firms, and specialty event providers, including auto, crime, inland marine, general liability, entertainment industry E&O, property, umbrella, contract guarantee, workers' compensation, cancellation and non-appearance. As a Lloyd's coverholder, Take1 offers standalone terrorism, active shooter, and various other crisis management products.

■ FINANCIAL INSTITUTIONS

J.B. Lloyd & Associates underwrites specialized programs and provides brokerage services for Financial Institutions. Lender Placed Hazard & Flood is offered for Forced Placed/Foreclosed properties along with Mortgage Impairment/E&O Insurance. These programs are underwritten for Lloyd's of London and endorsed by the Texas Bankers Association. Brokerage Services include D&O, FI Bonds, Cyber Risk, Lender Liability, Trust E&O, EPL, Fiduciary, Work Comp, Umbrella, Auto, and Package Insurance. IGP Specialty also provides a Residential Real Estate Investor program for investors and property managers. It offers reporting forms for schedules with 10 or more occupied or unoccupied single-family dwellings.

■ FLOOD – EXCESS

Excess Flood coverage is available over the NFIP with limits up to \$25,000,000.

■ FLOOD – PRIMARY

Flood insurance through the National Flood Insurance Program (NFIP) provides coverage for buildings and certain contents.

■ HEALTHCARE

The Healthcare Pros team of insurance professionals provide underwriting, brokerage, claims handling and risk-management services to clients in the medical, long-term care and social services industry. Coverages available include general liability, professional liability, property, workers' compensation, hired and non-owned auto, management liability, EPL, and fiduciary liability.

■ INSURANCE AGENTS

The U.S. E&O Brokers Insurance Agents Professional Liability program is available to agencies of all sizes on an admitted and non-admitted basis, for agents who write standard classes of business as well as higher-hazard classes of business such as crop, aviation, long-haul trucking, and more. Coverage features available include occurrence-based general liability, B+ insolvency, full worldwide coverage, defense outside the limit, first-dollar defense deductible, and employment practices liability sublimit. The national Insurance Adjusters program provides coverage for all types of adjusters.
