A Strategic Specialty Partner for the Ironpeak Agent Network

As specialty risks grow more complex and standard markets continue to tighten, Ironpeak agents need specialty partners who deliver broad market access and efficient placement.

That's where **IGP Specialty** comes in.

We deliver:

- 30+ specialty underwriting programs
- Nationwide wholesale brokerage
- Contract binding authority
- \$1.6B+ in managed premium
- 40+ years of specialty insurance expertise

Southwest Dedicated Relationship

To ensure a seamless partnership, Ironpeak is supported by a dedicated IGP Specialty relationship manager for the Southwest region, available to assist with any questions related to our wholesale solutions:
