

Drifting Supplemental Application

1. Track Name: _____
2. Physical Address: _____
3. Course surface? _____ Solo Safety Steward on site at all times? ___ Yes ___ No
4. Is there a Skid Pad? ___ Yes ___ No Design: Figure 8 _____ or Circle Drill _____
5. Is there a Low Speed Course? ___ Yes ___ No
6. How many cars are allowed on the course at a time? _____
7. Is the course kept free of hazards such as gravel, oil spots, holes, gratings, etc? ___ Yes ___ No
8. Are all Portions of the course visible to at least one marshall at all times? ___ Yes ___ No
9. How is the course marked? _____
10. Will any course boundary pass closer than 25 ft from solid objects (wall , tree, etc)? ___ Yes ___ No
11. Are there any curbs, buildings, poles, trees, soft shoulders etc used as markers? ___ Yes ___ No
12. Are there any long straights (over 150 feet) that end in an extremely sharp turn? ___ Yes ___ No
13. Are competing cars required to come to a complete stop immediately following the finish Line? ___ Yes ___ No
14. Do long straits terminate at a point where participants or spectators watch? ___ Yes ___ No
15. Is there sufficient distance past the finish line available to safely slow or halt any competing car from the highest possible speed attainable at the finish without locking he brakes? ___ Yes ___ No
16. Are they allowed to run in close proximity to each other? ___ Yes ___ No
17. Are vehicles such as jeeps, minivans, suvs's, 4x4 pickups etc. allowed to participate? ___ Yes ___ No
18. Is there a marshal assigned to the finish line to make sure it is kept free from hazards to participants and spectators?
19. Are course Entry and Exit lanes at separate points? ___ Yes ___ No
20. Are all Drivers required to be licensed? What is the minimum age to participant? _____
21. Is there a wristband system used? ___ Yes ___ No
22. Are passengers allowed? ___ Yes ___ No If so, what is the minimum age? _____
23. Are all passengers required to sign a waiver? ___ Yes ___ No
24. Are helmets required for all participants including face shield goggles or similar face protection? (eyeglasses are not sufficient). ___ Yes ___ No
25. Are all vehicles required to pass safety inspection before being allowed to participate? ___ Yes ___ No
26. Will you have a designated Spectator Area? ___ Yes ___ No
27. Are all Spectator areas at least 75 feet from the course edge? ___ Yes ___ No
28. Are all Spectator areas protected by a barrier? ___ Yes ___ No Barrier Type: _____
29. Are there any spectator viewing areas in a run off zone? ___ Yes ___ No

30. Are there spotters at all events? _____ Yes _____ No
31. Is there a Main Course? _____ Yes _____ No
32. How long is each driver allowed in the Skid Pad? _____
33. How is access controlled to enter and exit the drift area? _____
34. Are there starter gate attendees? _____ Yes _____ No
35. How is the starter in communication with course workers? _____
36. Is the shut off gate marked? ___ Yes ___ No How is it marked? _____
37. Is repair or refueling allowed in the hot pit area? ___ Yes ___ No
38. Does course design require all vehicles to run in lower gears? ___ Yes ___ No
39. Maximum Speeds on straight stretch? _____ mph / Maximum Speed in the turns? _____ mph
40. Speed limit in hot pit areas? _____ mph
41. Maximum Speed for all vehicles on site (including paddock areas, grid) _____
42. Are the fastest areas of the course close to spectator areas? _____ Yes _____ No

Signature:

Please provide a diagram of the course(s) including entry, exit and spectator areas.
