Motorsports Program

Motorsports are about skill and speed, which excite drivers, teammates, owners, sponsors and spectators. But these elements also present special risks that can be challenging to insure. From car clubs to racetracks, the Safehold Motorsports Program has solutions to fit the insurance needs of the motorsports industry—helping our clients manage risk, control costs and improve financial positions.

TAILORED SOLUTIONS

We work with a wide range of motorsports businesses, including:

- Racetracks and motorsports facilities
- Race events
- Motorsports activities and operations
- Car clubs
- Sanctioning bodies and membership associations
- Owners and sponsors
- Driving and race schools
- Off-track coverage
- Race teams

PARTICIPANT ACCIDENT COVERAGE

We offer access to primary and excess medical coverage, as well as other benefits for drivers, crews, and other participants.

MOTORSPORTS COVERAGE

This program provides access to coverage for risks and exposures related to your specific motorsports needs including, but not limited to, your racing events and activities.

A customized motorsports package includes a broadened coverage form and spectator liability, as well as participant legal liability.

EXCESS LIMITS

This protection offers higher liability limits that are typically ***not*** available in standard general liability policies. Our program also allows access to additional coverage needs for motorsports clients such as:

- Property insurance
- Business automobile
- Off-track and storage
- Workers' compensation

WHAT MAKES US UNIQUE?

Our insurance team includes experienced underwriters, loss control managers, risk managers and claims professionals who are passionate about motorsports. We work with you through the quote and binding process and don't stop there. We aim to provide unparalleled client service for your insurance needs, including consulting with you during the claims process, from the initial notice through settlement, including investigation, critical analysis and litigation management.

Speed, accessibility, and responsiveness.

With decades of experience in motorsports insurance, Safehold Motorsports understands the industry's unique risks. As a managing general underwriter, our team offers coverage with carriers who are "A" Rated or higher by A.M. Best.
