

Your Wholesale Solution for Hard-to-Place Insurance Agency E&O

IGP Specialty Wholesale Brokerage supports retail agents with reliable, market-driven solutions for insurance agency E&O — especially when risks fall outside the standard market.

When traditional carriers decline, restrict terms, or are unable to accommodate unique exposures, our team leverages deep industry expertise and exclusive market access to deliver competitive, stable professional liability coverage for hard-to-place risks.

We specialize in E&O for insurance agencies and brokers — providing strong carrier partnerships, customized coverage solutions and responsive service when you need it most.
