

## Ski Resorts and Recreation

### No Resort is Quite Like Yours

The ski industry faces unique and challenging exposures — equipment breakdown, property damage, workplace accidents, injured guests, regulatory requirements, and many more.

Safehold Special Risk has over 55 years of insurance experience and in-depth knowledge of the ski and outdoor recreation industry. Our team provides insurance programs to over 160 ski resorts across the nation. The Safehold Ski Resorts and Recreation Program specializes in property and casualty products, occupational safety, and risk management solutions specific to the ski industry. Our professionals are committed to quality in designing comprehensive insurance programs and we also offer access to a myriad of additional insurance products at cost-effective prices.
