Sports and Entertainment–Health & Fitness Clubs

Every time your customers use your fitness equipment, work with trainers, take classes, or enjoy your amenities, you're facing risks that could threaten the health of your company.

As one of the largest insurers of sports venues and entertainment facilities in the country, the Safehold Sports and Entertainment Program caters to the specialized risk management needs of sports and fitness clubs, health and wellness centers, racquet and tennis clubs, gymnasiums, and other health facilities.

Helping You Maximize Protection

Our team has more than 30 years of experience helping organizations like yours maximize protection, reduce liability, and manage costs. We have the delegated authority to underwrite, quote, and efficiently issue your policy — all under one roof. Our program, designed specifically for health and fitness facilities, includes coverage for exposures such as:

- Athletic participants
- Professional liability for trainers
- Child sitting services
- Sexual abuse and molestation
- Saunas and steam rooms

We can also develop coverage for additional exposures that are unique to your facility.

Risk Management Resources

In addition to insurance, we provide risk management services that help manage your exposure to risk. We proactively conduct safety inspections and training to address your specific areas of risk, and we help you evaluate contracts with those who use your facility. We also provide a detailed loss control manual with recommendations such as:

- Signage to limit your responsibility
- Independent contractor agreements
- Contracts for members and guests
- Waivers for tanning and sports
- Emergency procedures
- Safety policies
- Pool operation guidelines
- Childcare guidelines
- Sauna and Jacuzzi procedures
