Sports and Entertainment – Sports Complexes

Your sports facility faces a variety of unique exposures — from participant injuries during activities to slips in the locker room.

As one of the largest insurers of sports venues and entertainment facilities in the country, the Safehold Sports and Entertainment Program caters to the specialized risk management needs of sports complexes, including outdoor fields and facilities, racquetball and tennis clubs, indoor soccer and lacrosse facilities, and full-service athletic clubs.

Specialized Protection

Our team has more than 30 years of experience helping organizations like yours maximize protection, reduce liability, and manage costs. We have the delegated authority to underwrite, quote, and efficiently issue your policy — all under one roof. Our program includes coverage for sports complex exposures such as:

- General liability
- Building and property
- Equipment breakdown
- Workers' compensation
- Excess liability

Helping you Manage Risk

In addition to insurance, we provide risk management services that help manage your risks. Our team proactively helps with the safety of your facility. We advise you on measures such as protective barriers, walkway materials, fire equipment, emergency evacuations, and procedures for child athletes. Unlike other firms, we bring a strong focus on operational risk management.

- Do your independent contractor agreements have the right clauses for assumption of risk?
- What kind of verbiage is in your user group contracts?
- Is your signage effective?

We draw from our extensive industry knowledge to help manage your liability. Together, we aim to help you limit exposures while protecting your assets and business reputation.
