

Specialty Underwriting LIVE Event Service Providers Program Special Events

Features

- Take1 is the largest General Agent with stated carrier Underwriting Authority focused on all aspects of the LIVE event service provider community.
- We understand the unique needs and underwriting characteristics of special events. We write both annual and short-term special events. We write most types of special events, although sporting special events can create appetite challenges.
- We underwrite on behalf of one of the largest entertainment specialty insurance carriers in the world.

Benefits and Coverages

- Our event service providers program for special events offers the most commonly required commercial insurance coverages: **General Liability; Property** (Real and/or Business Personal Property and/or Business Income/ Interruption); **Inland Marine; Auto** (Commercial auto and/or Hired and Non-Owned Auto liability and physical damage; **Worker's Compensation; Excess and Umbrella.**
- Our excess and umbrella in-house authority is \$5 million, but with carrier approval we can offer up to \$10 million and more, if taken to open brokerage excess and umbrella markets.
- Our Inland Marine Floater contemplates equipment rented from others (a common exposure for special events); equipment in our insured's care, custody and control; and equipment in transit. This floater contemplates replacement cost and often provides sub-limits of earthquake and flood coverage.
- This program offers an enhanced general liability endorsement that provides blanket additional insured; Waiver of Subrogation and Per-location aggregate.

Take1 understands the unique needs required by special events to assure competitive pricing and comprehensive coverages.
