IGP Specialty Cyber Insurance Resources

Policy Form/Coverage Reviews	We perform policy form reviews and coverage reviews to determine any coverage gaps and coverage recommendations.
Coverage Comparisons	We perform comparisons of multiple proposals offered to insureds with recommendations.
NetDiligence eRiskHub Portal	We offer our own branded cyber risk management portal including cyber articles, best practices and risk management tools from NetDiligence.
CyberCube Limits Benchmarking	We are engaged withCyberCube for their broking platform to provide cyber insurance limits benchmarking.
Client Engagements: New / Renewal Preparation and Underwriting	We partner with agents regarding client engagements to work with insureds to prepare for cyber submissions and/or underwriting best practices/controls.
Proprietary Coverage Enhancements	We have negotiated proprietary coverage enhancements with many of our carrier partners for the benefit of our agents and their insureds.
