Pumpers & Gaugers Binding Authority

A program designed specifically for Pumpers and Gaugers.

Whether it's a sole proprietor or a larger firm, we have your oil patch clients covered. Our in-house program for CGL and Excess comes complete with all endorsements needed for contractual compliance, including pollution. We offer low minimum premiums for smaller insureds and can provide excess limits of up to $10 million. Quoting is in-house, so we can respond the same day in most cases.
